

March News

March is here already! We have lots going on this month!

Last month we learned a bunch. We had a great Valentine's Day party with yummy treats and had lots of fun making our building boxes. Thanks for sending all the special treats! We now know the letters L, M, and N. Ask your kids about the animal for the letter N, it was kind of a tough one.

This month we will be starting a new unit on nutrition and healthy foods and we will be planting seeds to see where healthy foods come from. We will learn about the letters O, P, Q, and R along with diamond shapes. And of course with Spring right around the corner we will start to learn about Easter, what it means and why we celebrate.

I'm sure you have noticed something different in the halls of our building this week! The annual church rummage sale is gearing up and items will be all week with the sale happening on Saturday, March 3rd from 9am-3pm. Please feel free to drop off donations during the week and come support our camp fund and youth program by shopping on Saturday.

We have a few special days this month, pajama day will be Thursday, March 8th so send them in their pjs and then Thursday, March 15th your children will host their families at our open house from 7-8pm. Come and see what we have been up to. The kids LOVE to show off their special creations and where they spend their time! If you have time to make some cookies to share we would love them!

We have a date for the Fire Safety Center field trip. We will meet Thursday, April 12th at 10am at the Shoreline Safety Center. Watch for more info in April!

Remember that the last Thursday of the month is the last day to order books. Only one more order for the year in April! Mark your calendars with our Spring Break days, no school April 17, 18, 19, and our special Mother's Day tea will be Thursday, May 10th at 11:00am. Last day of school celebration will be Thursday, May 24th at 11am. Wow, how can that be coming up already...

Preschool Registration for the 2018-2019 school year starts today. Please sign up those siblings and let your friends know and encourage them to check out our open house next week!
